Marcel Wanders, famous Dutch interior design architect and designer, will have the woman statue 'Quasar Head' exclusively designed for Quasar Istanbul - one face representing Asia and the other representing Europe- meet art lovers in Europe before Turkey. The statue will be displayed at Stedelijk which is one of the most prestigious museums in the world for 4 months; will tell about Istanbul to millions of distinguished visitors bulk of which is composed of architects, designers and artists.

The world famous Dutch interior designer Marcel Wanders designed a woman statue 'Quasar Head' as tall as 5 meters - one face representing Asia, and the other representing Europe-, for the mixed-use project Quasar Istanbul which is supposed to become the new meeting point for culture, arts and fashion in Mecidiyeköy, at the heart of Istanbul, and it will be presented to the evaluations by European arts circles, first.
