

C-Mine Reception and Expedition

C-mine, which is housed on the foundations of the mine in Winterslag and is a site which is designed to stimulate creativity. C-mine intends to be a meeting place for people who want to be stimulated in their professional lives or leisure time by various forms of creativity and creative innovation. C-mine brings vitality and offers new experiences, stimulates curiosity and challenges people to make new discoveries. The C-mine site is a unique, authentic and wondrous place with a living past and an interesting and creative exhibition. C-mine is a place where a wide variety of people and ideas meet each other and share their creativity. A visit to the site is an experience that will excite any visitor.
